Dear Telecom Liechtenstein:

Congratulations! It is with great pleasure we present your company with this Letter of Compliance for successful completion of Avaya DevConnect Compliance Testing with Avaya Inc.'s Avaya IP Office 500 V2 R10.0 in a standalone configuration and Avaya Session Border Controller Advanced for Enterprise R7.1. The tested solution is also considered supported with IP Office Server Edition R10.0.

Your company's FL1 Convoip SIP Trunk FL + CH solution has completed testing by Avaya's DevConnect technical team, and is officially recognized as compliant on 12th December 2016. The Avaya DevConnect Letter of Compliance is valid based on the stated version of each party's solution(s).

Avaya is committed to providing our customers with third party solutions that are fully compatible with the Avaya IP Office 500 V2 R10.0, IP Office Server Edition R10.0 and Avaya Session Border Controller Advanced for Enterprise R7.1. By continual pursuit of product integration, we offer customers greater options and solutions to meet their communication and collaboration needs.

With this successful Compliance Testing, Avaya provides customers increased confidence in product interoperability and successful deployments of our respective products within their enterprise environment.

Please look to the Avaya DevConnect Program for continued marketing and development support of your integration activities with Avaya solutions, and to future DevConnect Compliance Testing activities.

Again, congratulations for attaining this milestone!

Regards,
